

## **Kim Chitwood**

Next Steps Pastor

### **Born there, lived there, visited there**

Michigan (GO BLUE!), Illinois, and Fort Wayne. Traveled to many states, as well as Canada and China (to get our sweet daughter Danni!).

### **Quick take on**

One of my favorite things ever is making people laugh. I love sappy movies, and historical fiction novels.

### **By the way**

I'm usually reading more than one book at once. Right now I'm reading five books.

### **Okay, I'll admit it**

I eat way too many sweets.

### **Other little-known facts about me**

I don't like silence.

### **Nobody knows**

I only take about 20 minutes to get ready everyday. Not sure if this is good or bad!

### **Just the facts**

I used to hate all animals. Now I have three dogs, two of which sleep with me. I need to make sure I stay away from doggies that need a home. A future Dog Lady??

### **Quick newsflash**

I cannot drive with a close friend riding with me. I'll get to talking and I will forget where I'm going or not keep an eye on the road!

### **Shhhh, please keep this a secret**

I sometimes eat only sweets for dinner.

### **Other than work**

I LOVE the sun. If it is out, I want to be outside.

### **I hope heaven includes**

My late husband, Dan, showing me around. Lots of sweets, coffee, peanut butter, and lots and lots of puppies!

### **I'd like to say to the people of Crossbridge**

Thank you for being my rock during the hardest time of my life. Thank you for loving on my family and now letting me serve you!

### **Family life and partner in crime**

I love my family more than anything in the world. I am so proud of all my kids and all they are doing for the Lord. I have been a single mom for almost four years. My husband Dan passed away in December of 2013. He was my best friend and love of my life. We all miss Dan terribly but have been blessed to see his heart for God and personality displayed in unique ways in each one of us.
