How did you end up at Crossbridge? I was invited to Crossbridge by a coworker, and once I got here, they couldn't get rid of me. I served on the worship team and volunteered for a few years in various capacities before beginning on staff in January of 2025.

What is your favorite event of the year at C3? I really love our outdoor concert. I think it's fun to get together and play familiar and fun songs, and it's an excellent opportunity to invite people who might not usually come to a Sunday service, and just get to have fun and love on them. It's also a great time to bond with the worship team and push ourselves musically in a different way.

What are three things you enjoy doing outside of ministry? I love traveling and seeing different places and people and soaking in all kinds of experiences (food, lodging, exploring, etc.). I have a long list of places I would still like to see. I enjoy playing volleyball and other sports, even if it's just with my kids in the yard or supporting them at their games. I also love to read! I got back into it a few years ago and have really enjoyed both fiction and nonfiction, usually reading 2-3 books at a time.

If you could tell your younger self one thing, what would it be? Use your voice.

What is your favorite verse?

Psalm 8: 3-4

³ When I look at the night sky and see the work of your fingers—the moon and the stars you set in place—⁴ what are mere mortals that you should think about them, human beings that you should care for them?
